Bible Class Lesson Sixteen:

GROWING YOUR SPIRIT SOUL

Chapter Three

Love One Another

Key Scripture:

“Owe no man any thing, but to love one another: for he that loveth another hath fulfilled the law.”

Romans 13:8

Lesson Objective:

To increase our spiritual growth by increasing our understanding of how important it is to love one another. Loving one another is so important that love requires—did you hear that word—requires—that we love our enemies. Loving your enemies proves you are a disciple of Christ. We have to love one another with the love that Christ gave us in His supreme sacrifice. We have to love one another as our Heavenly Father loved us, in giving Himself through Jesus to experience our humanity without sin so we can enjoy eternal life with the Father forever. Learn to love one another, no matter how difficult.

Lesson:

We want to model our behavior from that of our Messiah (MSSH). He is and was a man of love. He responded to stimuli with an action of love. You can call it emotion all you want, but love is action. Someone can be standing in front of you who hates your guts. You can stand there all day and try to emote love—to project love from your heart—to project love from your mind—to project love from your spirit soul.

But until you pick up your hands and do something in love—give them something they do not expect and something they want or like—until you say something out of your mouth that demonstrates you love them (this something probably has to be something they won't expect but will love to hear)—until your feet move towards them with your body demonstrating an action of love, they will probably continue in their hatred towards you.

By the way, this person will probably continue in the hatred or distrust of you anyway until you deal with that spirit that is moving them to act and think and live they way they are acting, thinking, and living. That was some more salt for your life.
