The Prophetic Voice

(This is a Prophetic Word from The Father through Sara.

I have not changed a word of it because of that fact. Listen. jaa)

Marriage Is Between One Man And One Woman.

* * *

"My Dear Children: Why are you being confused that I might changed My mind, and say: 'That marriage can be between two of the same sex?' NONSENSE!

If I felt that man should not exist I would of not created Adam. If I felt that there should not be any children so they can enjoy My creation, Eve would of not exist.

Can two men or two women produce children? Of cause not! Since I wanted to populate the earth with human beings, besides animals, I would not be able to do that if every human being and every creature was of one sex.

Instead of My children appreciating Me for creating them, creating animals, trees, mountains, rivers, the sun and the moon; some complain that I made a mistake and I made them the wrong gender. If I did not make a mistake, they made the mistake by desiring to be the opposite gender they are.

Some go to the extend of having a sex change operation. Some say I am a homosexual. Some become ordain and preach My word.

They think I honor what they are doing. That is blasphemy! And they will regret everything they say and do unless they repent now! says the Lord.

Matthew 19:4-6 "Have you not read that He who made them at the beginning made them male and female, and said, 'For this reason a man shall leave his father and mother and be joined to his wife, and the two shall become one flesh? So then, they are no longer two but one flesh. Therefore what God has joined together, let no man separate."

Hebrews 13:4 "Marriage is honorable among all, and the bed undefiled, but fornicators and adulterers God will judge."

Romans 1:26,27 "For this reason God gave them up to vile passions. For even their women exchanged the natural use for what is against nature. Likewise also the men, leaving the natural use of the women, burned in their lust for one another, men with men committing what is shameful, and receiving in themselves the penalty of their error which was due."
