Go into the Christ's Harvest Fields.

Go into the Harvest Fields of Jesus.

"The Spirit of the Lord is upon me, because he hath anointed me to preach the gospel to the poor; he hath sent me to heal the brokenhearted, to preach deliverance to the captives, and recovering of sight to the blind, to set at liberty them that are bruised, to preach the acceptable year of the Lord."

LUKE 4:18-19 (KJ)

My Dear Precious Friend,

Lot's of prayer and remembrance to you from us here in Nepal. I hope you and all friends there, are fine. This is my July ministry update. Read, enjoy and let us praise God for what God is doing in our midst.

First of all, I would like to say thank you very much for praying for our sports ministry and for Nepal. We were able to organize 1st Madhumalla

Gospel Cup in east Nepal where there were 16 teams from different places. At first, it was huge challenge for brothers as they were organizing it for the first time. Maoist friends were also hostile in our activities because their cantonment was just some meters away. So they came every day to the ground to study the situation. I am happy because big impact this tournament brought in the minds of local people was 'Christians also does such an activity?' was their response.

And also, I am so happy that this game brought many Churches together and distributed thousands of tracts to people who came to enjoy football. We didn't request Churches to come, they just came and distributed tracts. We just made a platform and they did the work. Our brothers tried to present gospel to people living in Maoist camp but they refused entrance. After the game was over they came and said we are so happy you came to this place and organized tournament. Can you share some thing about Jesus Christ? They told our brothers that in future when we have some programs they would willingly help us make program a success. We would like to go to this camp with some evangelistic program. Please continue to pray for us. We use sports to communicate the gospel.

Church Boys United, an only Christian football club in the country, representing all the Churches of Nepal in sporting field went to Pokhara to participate in the local tournament. There were 45 teams and even though we lost the game in pre-quarter final match, organizer gave a fair play trophy to us. Pokhara is a sub-metropolitan city and through our

participants in this game, our ads were in medias and others, many people came to know Christians have a football club in Nepal, which proclaims Jesus Christ.

I have some reports from our leaders, starting from Purna Kumar. The mountain place where Purna goes to preach the gospel is his birth place. He led two new souls in Christ in this visit and we are praying to start a new Church there. He needs your prayer. Please look to the photos or maybe click on the link provided below to understand how he does ministry. He gathers villagers at night and tells them about Jesus and organizes Jesus film showing program.

Once upon a time I was desperate to have my web site. Today, I can help make a free small size website to leaders and ministry who needs it, free of charge. Please check here the website I made:

Chitra and team went house to house visiting in the mountain, preached the gospel and led two persons to Christ. I want you to spend some time in prayer for us. I would like to print 10,000 tracts in August, that is around 150\$. I received overwhelmed request for gospel tracts and Bibles. We have series of conference in September, in many different places. We are praying that we could start new Church in east Nepal area. Please pray that we will get rooms and that people would contribute to this project. Let me share a December need in advance so that you know how you can pray for us. We are trusting God to supply us 300 Bibles, 300 Hymnals

and 60,000 gospel tracts, 13 guitars and 10 bicycles, 15 sleeping bags, and finally fund to buy motorbike for me. Motor bike will save my time and energy. Some time it is very very difficult to do ministry when you don't have funds.

Please share your prayer request with us so that we also know what to pray and how to pray for you. We love you and we miss you so much.
