Title: **Do You Diligently Try To Obey God?**

Date: 2012-12-19 17:23:27.0

Many of God's children obey God, but not all obey diligently. Many are influenced by co-workers or family or friends who mock God; which could have a profound influence on you. SAINTS: We cannot afford to listen to people that discredit God. It is important to stay grounded in God's Word.

"My children who stay true to Me have everlasting life. Sadly to say there are many that try to obey Me, but let outside influences distract them. It is at the point where they don't say anything to the ones that Mock and curse Me; they listen as if it is okay.

Do you think I should be proud of My child that does not defend Me? Do you think they can win lost souls for Me with a silent attitude? Do you think they will have their prayers answered when they do not diligently seek Me?

The time is coming soon, when I will make My entrance and take My bride home to spend eternity with Me. It breaks My heart to see how many who called Me 'Abba Father,' and now are being influenced by pagans. There are some that stand behind the pulpit and preach how important it is to obey Me, and yet they live a sinful life. They are hypocrites!

Many of them have a large following. Their followers will fall with them into the pit. You have a choice: Obey and follow Me or follow the way that leads to destruction," says the Lord.

Psalm 1:1-2 "Blessed is the man who walks not in the counsel of the ungodly, Nor stands in the path of sinners, Nor sits in the seat of the scornful; But his delight is the law of the Lord, And in His law he meditates day and night."
