God allows oppression for multiplication and enlargement

“He turned their hearts to hate his people, to deal with subtly with his servants.”

PSALM 105:25

“But the more they afflicted them, the more they multiplied and grew. And they were grieved because of the children of Israel”

EXODUS 1:12

Sometimes God allows oppression in our lives to push us forward and make us great. It usually happens when we are destined for greatness. But somehow we are complacent and contented with a little. God will have no choice but to stretch us to possess our possession. If you have not reached the peak of God for your life, you should expect the “pushing hand” of God.

The children of Israel were destined for freedom out of the land of Egypt, but they were having a nice time in Egypt. God had to do something so that His purpose for Israel might come to pass. As a result, He turned the hearts of Egyptians to hate and oppress them. They became uncomfortable and restless. You know what the purpose of God came to pass.

Beloved, what you are going through is for your enlargement and multiplication. Think about it. God wants to prove Himself in your life, business, career and marriage. Perhaps you are thinking you have arrived, and God is saying, "No" -- that is only your beginning.

Whatsoever you are passing through and it's demanding action or sacrifice. Please know, that it is for your promotion, prosperity, and joy at the end. You are almost through, don't give up. Your promotion is near, don't lose faith.

Finally, see what you are passing through as a stepping stone for your greatness and happiness. Your problem may not be your boss, but that God is telling you to move forward.
