*Besides it being a sin and an abomination, the homosexual demon will not stay in the bedroom, but will go to the classroom, courtroom, boardroom, group shower room, airport bathroom... if there is an opening, that demon will go in.*

**“Thou shalt not lie with mankind, as with womankind: it is abomination. Neither shalt thou lie with any beast to defile thyself therewith: neither shall any woman stand before a beast to lie down thereto: it is confusion.”**

**Leviticus 18:22-23 (KJ)**

**H**omosexuality, Part One. (See Also [Leviticus 20:13](#); [Judges 19:22-23](#); [Romans 1:18-32](#); [1 Corinthians 6:9-11](#), [Genesis 19:4-17, 24-26](#); [1 Kings 14:24](#)) The Lord Jesus is pressuring me to go back into the Book of Revelation. I have to do this devotional and “God is Love” devotional, “2012: the movie” then I will move back into Revelation and after that tell you what happened when I “left the basement.” There are those who love to hate me, hate to love me, love to love me, and those who hate to hate me, but I love nonetheless. But I do wear my military dog tags. Evil folk do not want me to say what most others are thinking and believing; or simply know. Let’s talk about anti-heterosexual behavior.

**WIKIPEDIA:** Homosexuality is [romantic](#) or sexual attraction or [behavior](#) among members of the same [sex](#). As a [sexual orientation](#), homosexuality refers to "an enduring pattern of or disposition to experience sexual, affectional, or romantic attractions primarily to" people of the same sex; "it also refers to an individual's sense of personal and social identity based on those attractions, behaviors expressing them, and membership in a [community of others](#) who share them."

**WIKIPEDIA:** Sodomy (pronounced /'sɒdəmɪ/) is a term used today predominantly in [law](#) (derived from traditional Christian usage) to describe the act of [anal sex](#), [oral sex](#), or [zoophilia](#).

When you think lesbian or homosexual, think this. Someone has taken a laxative to clean out their intestines so when someone else puts a penis there, no ‘do-do’ comes out. You gotta laugh! They also stick their tongues in that same “do-do” hole; it’s called a “tossed salad.” Women with tongues in each other’s vagina and “do-do” holes. Now this gives you a better picture of homosexuality – not the picture of something that equals or relates to the African-American struggle against white oppression in America and the world. Gay may not be a choice to some; but sexual behavior is truly a choice. Choice—you chose to stick that penis or that tongue in that behind. Now that’s just NASTY! Nasty, nasty, nasty!!! No wonder HIV/AIDS has killed and is killing much of the world’s population. It is against Nature; and Nature does not play that—wait to see what God does.

I am not homophobic. I do not hate homosexuals like some Christians do, but I hate evil. Those who serve evil are its victims. We have to deliver them. I lived two blocks from Castro Street in San Francisco for about eighteen months. I had gay friends and worked with and hired gay folk. The problem is you can not keep that demon in the bedroom. The homosexuality demon is a “nasty sucker” and it will not stay “cooped-up” in the bedroom, a house, nor an apartment. It wants to go kick up its heels and spread itself around, poking itself around in dark places.

Case in point. When I lived at Hearthstone subdivision at our neighborhood pool parties, the local lesbian couple adopted a girl. At the pool, other neighbor’s girls of the same age had to push this child off of them because she wanted to express the actions which she had learned from her adoption parents; hugging and kissing. So now you have a heterosexual crowd watching and grimacing as the children try to figure out what to do with the aggressive child’s action while their parents try not to offend the adopted parents of the child. Did you follow that?

When I moved back to Atlanta from San Francisco, I thought we had left the “open” homosexual culture behind us; only to go to visit a friend and while at the pool these lesbians try to impress upon my daughters that it is okay to kiss and hug one another. If you do not know this, there are three main areas of homosexuality in America, maybe four. 1) New York, 2) San Francisco, and 3) Atlanta. Is four Seattle? Or Boston? Or your hometown?
