My Dear Precious Partner James Anthony Allen,

NEPAL JANURARY MINISTRY REPORT, Part One. Welcome to my new year first ministry report. Love, greeting and many many remembrance from your friend in Nepal. How are you, your family member and your ministry? Thanks for giving me an opportunity to share what God is doing in this tiny beautiful nation.

I am so glad once again to meet you with the reports from Orphanage, prison visit, and reports from the Churches. Your support and prayer has helped us to spread the gospel in Nepal and share God's love in action. It is a privilege and honor for me to bring it to you. Thank you for standing with us through 2011.

Supporting two leaders in Nepal / Tibet border

We would like to support two leaders that are working in Nepal Tibet border. We have been there and we saw how much they labor for the gospel and in reaching out the mountain people and Tibetan people. We just want to encourage them. Supporting them 100 US dollar per month would be a great help to feed their family and do evangelistic work. Many Pastors and workers are self supported but these two need our helps. I know you have been doing so much for us and it is extra burden to

find help for them but we can share this to others. Let us extend our ministry in Nepal Tibet border. Anyone can support them for 6 month, 9 month or 1 year.

Construction report from the Orphanage site

First of all, I want to thank God for providing us fund to pay the full price of the orphanage land. In two and half years we were able to collect almost ten

thousand US dollar. This was amazing. I also want to thank to all my brothers and sisters who gave minimum of 50 Rupees, and also for collection of offerings from the churches, I look back to 2011 and I was really surprised to see on how much God did among us. I also want to thank to all laborers who worked voluntarily in the orphanage without

any pay. Second phase to the work of orphanage completed. We did dig the foundation hole and rise up pillars and wall. Now we will collect again fund for the third phase for the rooms and bathrooms. If we have more than 1600 US dollar we will again resume the work. Click here for [Orphanage Photos](#).

Thanks to all who made contribution. (TO BE CONTINUED)
