### **Each One! Bless One!**

*Watch out for the attacks of division, differences, and deception.*

**“And Jesus answered and said unto them,**

**Take heed that no man deceive you.”**

**MATTHEW 24:4 (KJV)**

**“Let no man deceive you with vain words: for because of these things  
cometh the wrath of God upon the children of disobedience.”**

**EPHESIANS 5:6 (KJV)**

**The D's – 2.** In “The D's – 1,” I told you about distraction, decoy, diversion, and delay. Here are other “D's” of which to be aware, and for which to look. They are avid attackers of Christians. They can be relentless and they “tag-team,” work together in tandem. One will come, then the other, while the other is there or just after the other has left; one or two or three at a time. Be aware of them.

**1) DIVISION** (defragment, break apart). If there is any hierarchy in the level which “D's” attack the most effectively, “Distraction” will be number two and “Division” will be number one. The number one military tactic is “divide and conquer.” It has been this way for a millennium; both in the natural and the supernatural. The way to overtake a group of people is to divide them. The way to overtake a person is to divide their heart. Once the heart is divided, the mind follows. The mind/brain brings the entire body into submission. The enemies of man and God's Holy Family seek to divide us any and every way: color, race, religion, east, west, north, south, dark, light, physical features, speech, economic status, and using everything which can be discussed and argued to be a difference.

**2) DIFFERENT** (differences, not the same, unlike) The enemies of God and man almost always prostitutes the goodness and magnificent nature of God, and God's nature in man to take advantage of us and any of God's creation. In essence, the enemies of God uses us against ourselves. Any difference is exploited. Every tool is used to make our differences stand out and to get us to think the differences of others are bad, distasteful, negative, wrong, ungodly, without thinking that God is the author of the differences of us all. He made us different, wants us to be different, and expects us to be different than one another. Our difference makes us special, unique, and in the image of God.

**3) DECEPTION** (deceive, half-truth, lies, innuendo) "Deception" is the set-up man for "Division." The half-truths and lies set people up to be divided in their thinking and in their action. Hear-say, they-say, "Let me tell you what I heard," gossip, and straight out lies take people down the road to division. Deception often looks like, feels like, and sounds like the truth. More often than not it has wrapped itself around some truth. So when we hear the lie, we believe it because the truth comes before it and after it. The deception, the half-truth, the lie is often sandwiched in the truth.

Not knowing the Word of Truth, studying your Word, and following the example of Christ Jesus can lead us to a place of destruction by our following the "D's." We are armies in a supernatural battle and should/must live, think, and act as such, so we can be victorious in our everyday living. The "D's" work together, not in unison, but with the same purpose: the destruction of God's Kingdom on earth and in you, your family and your community.
