President Barack Obama
President of the United States
1600 Pennsylvania Avenue, NW
Washington, DC 20500

Dear Honorable President Barack Obama,

I am Dr. AC Brown, the author of "A Quick Glimpse into my 48-Year Track Record." The Holy Spirit told me to send this to you. I have been obeying God for 48 years and I have never lost. And I am going to recommend you do it and everyone working in your program to do what I show you and tell you. You will be so excited. Let me hear from you as quickly as possible. I have gone into three different fields in life and make millions; without even knowing the fields. Let me show you how.

And by the way, Barack, just before you started running for president and campaigning, the Holy Spirit told me to wrap you with the Blood of Jesus four times a day until you got elected. That is just what I did. I don't know if it did any good, but I did it. I do know one thing though, everyone else that I had anything to do with came out a winner. That's W-I-N-N-E-R, winner. Not winer, but winner. In the name of Jesus I did it and I am ready Barack to show you how. I am ready to show you how when you are ready. Be

ready. I'll go to my grave knowing that I am right. (This means it will be fulfilled in my lifetime.)

You will be like I was the other day when I walked into the Whole Foods eatery--excited. There was a man and a lady sitting there typing. She was sitting there watching him type. He was using the "hunt and peck" style of typing system. I spotted them. I walked over and said, "Mister, I am Dr. AC Brown. I thought I heard a fire truck coming." He said, "I didn't hear a fire truck coming." I replied, "I believe I hear a fire truck coming; I really do. They coming to help you with that fancy typing, to put that fire out on your keyboard; you typing so fast."

The man got really tickled. He went to get something out of his car. When I looked at him as he walked back into the store, he was still laughing. Barack Obama, that is the way you will be. You will laughing all the way to the B-A-N-K; bank. When you understand what I am bringing to you; you will be laughing all the way to the bank, along with the American people—in fact, the world. God is sending you a plan by way of Dr. AC Brown.

I may not have had anything to do with these events but let me present you these cases. For twelve years I visited churches culling spiritual lessons and information. I stumbled across a Pentecostal service and the Blood of Jesus Healing Prayer by Terry Law Ministries. The Holy Spirit directed me to pray this prayer four times when prayed; one time for God, one time for Jesus Christ, one time for the Holy Spirit, and one time for yourself so you can have the strength to do God's Will.

I prayed this prayer four times a day for years over the Atlanta Braves (The year I started praying they won the World Series, then I stopped.); four times a day for years for Magic Johnson (When I started his AIDS went into remission.); Bill Clinton (I prayed it for years for him before his election and while in office.); I also prayed for OJ Simpson during his first trial. I have simply prayed that prayer for a lot of people with great success.

President Barack Obama, I know you want financial success not only for your family but your American family and the world family. Let me show you how we all can go to the B-A-N-K, bank. You will be like the young

man on the laptop hunting and pecking. The fire truck will come to put your fast typing out. He was laughing when he went to that car and he was laughing when he was coming back. And that is how you will be as the President of the United States—laughing all the way to and from the banks.

Let me hear from you as soon as possible so I can give you the plan. When you hear this plan, I am sure you will get the picture; and everyone who works with you will understand how it will help. I'm ready when you're ready. This is my second communication.

Yours truly,

Dr. AC Brown
