“Hereby perceive we the love of God, because he laid down his life for us: and we ought to lay down our lives for the brethren. But whoso hath this world's good, and seeth his brother have need, and shutteth up his bowels of compassion from him, how dwelleth the love of God in him? My little children, let us not love in word, neither in tongue; but in deed and in truth.”

Christmas Prayer Service and Pageant in Pakistan
(Jesus Friends Ministries Pakistan)

Dear Pastor James Anthony Allen,

Thank you very much for great and special concern with us! Thank you for great concern and love ! We love you too. And prayers for you. We are very much happy and I would like to share with you news about Christmas in Pakistan and pictures.

First you see the pictures, where we celebrate Lord Jesus Christ birth with cake. The Christian community decorated

themselves and their houses with lights and stars. Christmas Papa was

also very much active and distributing small gifts among children's and adults. Also, there was also a missionary team, on a trip in Pakistan at Christmas distributing gifts among Christians, I have one picture with one

of the American pastors. You can see it was a very cold night; during the time, also see the fire wood in streets, so also can get the warm.

Please find few more Christmas celebration program pictures. It was children's and families' programs, where we do

prayers, various children's plays, songs, dance and jokes and many more things. I hope you will enjoy with us these celebration pictures for the living God !

Please keep our situation in your prayers daily. Our families need your prayers and assistance during these times. And If you want to suggest to me something that we should do, which way we

should go or what work to do or attitude to adopt during these times it would be greatly appreciated. We are at extremely tired and without much hope. Please let me know what you suggest.

It seems no Christian country have any concerns with us from west or America. They don't care about us and that is hurtful because it seems that Christians around

the world do not care about us, our families,

or our pain which we suffer for Christ—for our faith. We love Jesus and HE is our Rock and

Redemption! Christians around the world have to stick together.

Love and blessings !
