Divorce amounts to running away from your issues and the issues of your spouse. Is that what you want to teach children? "It is okay to run from your problems because that makes them go away." Not true. Everyone needs to learn to face the problems in front of them effectively. I do mean everyone.

"And he answered and said unto them, **Have ye not read, that he which made them at the beginning made them male and female, and said, For this cause shall a man leave father and mother, and shall cleave to his wife: and they twain shall be one flesh? Wherefore they are no more twain, but one flesh. What therefore God hath joined together, let not man put asunder.** They say unto him, Why did Moses then command to give a writing of divorcement, and to put her away? He saith unto them, **Moses because of the hardness of your hearts suffered you to put away your wives: but from the beginning it was not so.**"

MATTHEW 19:4-8 (KJ)

Divorce - 4. Most of this was written in August 2009. Please read Divorce-1, December 24, 2009 before proceeding. Thanks. (CONTINUED) The Pornography Industry (has helped Sarah Palin get back into the political race (her look-a-like has a popular video.) makes about \$50 billion a year which can pay for all Americans to have health insurance, dental insurance, and life insurance—think about it. We do not even tax this revenue. Think about it! This is allowed by you, the American taxpayers' representatives and leaders of this great nation. But these are not the plagues of which I speak.

Divorce is creating a more and more adulterous nation. I have to say something and not be silent on this issue. And I am sure there are many issues which you must not be silent about, but speak up. Speak up against evil, evil machinations and evil manifestations. Divorce amounts to running away from your issues and the issues of your spouse. Is that what you want to teach children? "It is okay to run from your problems because that makes them go away." Not true. Everyone needs to learn to face the problems in front of them effectively.

I believe that most of you, our “representatives” (the elect), are Christians; some are Catholics (not Christian, unless confessing Jesus as the Messiah), while others are Hebrews (antichrist non-believers in the Messiah; unless Messianic), and others yet are closet-homosexuals or openly non-heterosexuals (reprobate according to Christian faith and the Holy Scriptures); and let us not forget the agnostics and atheists. Your Heavenly Father is watching this play of human behavior everyday acted out in national events and daily proclivities. Make straight your ways for the Messiah is coming; not happy is He.

Here are the plagues of which I speak. Divorce and homosexuality. Please listen. Non-heterosexuality (homosexuality), I will speak to in another devotional.

“But I say unto you, That whosoever shall put away his wife, saving for the cause of fornication, causeth her to commit adultery: and whosoever shall marry her that is divorced committeth adultery.” Matthew 5:32

Divorce. There are a number of problems with divorce. Believers of the Messiah—listen. Have you ever wondered why in the Old Testament and the New Testament, the nation of Israel was often referred to as a nation of adulterers? This applies to all nations. Christian believers like to refer to Paul or Moses saying that divorce is okay and not to be unequally yoked. **GIANT SPIRITUAL KEY:** Remember this if you remember nothing else said here: only Jesus (Emmanuel) is the Son of our Heavenly Father and only He was sent to earth to be an example of what to say, what to do, how to live, where to go, and how to go to Heaven. Remember that.

According to Emmanuel (Jesus), what Father God has placed together no man can nor should break apart. But because the “stars” in Hollywood has made divorce “fashionable” and the judicial system has made divorce “acceptable” AND “convenient,” divorce has become a plague in America like in no other nation on earth; no other industrialized nation.

According to Jesus, (in Mark) if you get divorced and you remarry, both you and your former spouse are adulterers living in adultery. This is how a nation of adulterers is established. America is a nation of adulterers. You, as our representatives, now having heard this, have the responsibility to redress this great evil that has been perpetrated against this great nation by system you have imposed or allowed. Oh, you didn’t know about it? You know now!

If you are not a Christian believer, think about what is the right thing to do concerning family groups.

I have a few ideas on how you can address this plaque:

1. Make public statements as to divorce being wrong and why.
2. Make state-sponsored (or federal-sponsored) marriage counseling, family counseling, or individual counseling a rigorous part of any planned divorce brought into or through the judicial system.
3. Make state-sponsored obstacles to divorce, i.e., increase penalties for divorce, increase or make fines for getting divorce higher and adjust according to income.

Christians, we must make a stand. Not only concerning divorce but all the present evil which stand before us wagging their tongues out at us as if we are not the victorious Christians which Christ Jesus made us out to be. Take a stand for Christ.

STAND FOR CHRIST; LIVE ETERNALLY
