Wisdom from Asekor's Journal, Part Five

“Happy *is* the man *that* findeth wisdom, and the man that getteth understanding. For the merchandise of *it* is better than the merchandise of silver, and the gain thereof than fine gold. She *is* more precious than rubies: and all the things thou canst desire are not to be compared unto her. Length of days *is* in her right hand; and *in* her left hand riches and honour. Her ways *are* ways of pleasantness, and all her paths *are* peace. She *is* a tree of life to them that lay hold upon her: and happy *every one* that retaineth her.”

PROVERBS 3:13-18 (KJV)

God intends to take you to a place of want where your gift will mold the needy and bring nourishment to their bones, therefore, relinquish adulteration with the arrogant soul and embrace His bosom that covet to protect you and prevent your soul from falling.

Every plight you face is there to delineate your rise to a better future, therefore, take heart when the arrogant foe wounds you, in time you will find that a wound only last a moment, but your joy will last a life time.

When your soul seems to doubt when trouble comes, recount your steps and you will find that the God who took you through many adversities will not waver to keep you from falling.

When you find yourself trapped in a dream or a world that fights to keep your soul captive, speak to your spirit to press on, and use your strength to let your spirit carry on your fight and ask God to guard you and you will find the strength inside is obedience to the spirit that will Guard you through a troubled world.

Pray daily and engage in the Word habitually, in so doing your soul will find a leverage to stand when Satan strikes.

Let the Word of God become your daily bread and be engraved upon your heart, and dispel everything that hinders your steps and keep you from a solid faith.

If sin has imprinted on your mind and keep you from rising above the terror of life use it as a leverage to spring back to the things of God.

Though it may seem that God is not moving because the fruit of your labor seems slow to become overflowing, bear in mind that a thousand years is like a day to God.

Use your struggles as a backdrop to propel you to a blissful future, and don't let it be a downfall, but a rise up.

God intends to bring you to fame and make you prosper abundantly, therefore if you are chosen by His hands to bring souls to Him, your path will only be strengthen and elevated by His hand, therefore, avoid all roads that lead to man's glory, but seek diligently the path of God and He will raise you up in due season making you a shining star among your enemies.

The struggles of the past are salvation for the future, therefore, take heart when you are wounded deeply, its there to propel you to a place of destitution where souls are craving your thirst.

To understand the discipline of God and the will to follow, watch the ways of a toddler and you will find that his love endures forever.

When your heart is in distress, and sometimes hasty, and you find yourself in conflict with God. Observe the ways of a child and you will find the courage to wait on God when He demands patience.
