Pray to make the “rulers of darkness” powerless. Rulers of darkness and other evil entities govern the evil which resides on the earth and which come and go out of people. Evil people also use “darkness” or “dark light” against Christians.

“And God said, Let there be light: and there was light. And God saw the light, that it was good: and God divided the light from the darkness. And God called the light Day, and the darkness he called Night. And the evening and the morning were the first day.”

GENESIS 1:3-5

“For we wrestle not against flesh and blood, but against principalities, against powers, against the rulers of the darkness of this world, against spiritual wickedness in high places.”

EPHESIANS 6:12

Rulers of Darkness-1. Part One. This is a very deep revelation which came to me about two weeks ago. The Lord was illuminating me with revelation concerning light and darkness, day and night. This was a prayerful part of only the beginning of that revelation. Father God forgive the reader of their sins and remove any unforgiveness from their being in the name of Emmanuel. I command this blessing upon them and whoever hears these words. Thank You Father God for that.

About two months ago, Rev. Scrivner enlightened me to the fact that as Christians, Bible-believing Christians who adhere to the Holy Scriptures, we must pray against those evil entities which govern or are above (both physically and authoritatively) those evil entities which are ground-based or underground based. Basically, air-based entities which have dominion over earth-based entities; also air-based evil entities which are governed by higher air-based entities are based in the temporal heavenlies. Remember, there are evil entities which can come and go, in and out of humans, evil which is underground or in the ground, evil

which is on the ground (earth), evil in the air (imagine the space where airliners fly), and evil which is higher than those, let's say space-based (or as some would say, the "second heaven"; whereas earth is the "first heaven"). First [heaven](#) is a term relating to the earth when the Kingdom of our Lord and Saviour Christ Jesus is dominate, which is where we should be (now) if Christians would control their tongues, know and use their Holy Scripture and follow the leading of the Holy Spirit, Lord Immanuel, and the other members of our Holy Family. Do research concerning the seven levels of heaven or [seven heavens](#), which for Christians come from the Judaic religious beliefs.

Approximately two weeks ago, I was illuminated concerning praying against the powers of darkness; more correctly, praying against the rulers of darkness. To break it down for you—in people like Lady Gaga, it is easy to see the personification of evil in her. Since I could see that she was a dark person and spreading darkness, the Lord illuminated me to understand that she was using "dark light" to her advantage to spread darkness throughout humans listening and watching her and magnifying the darkness which resided in humanity. Therefore, I immediately applied the "Make Powerless Prayer" model to the "rulers of darkness." This was a spiritual effort to stop Lady Gaga from using "darkness" as a tool of power. Any musicians, entertainers, or anyone or anything which you believe is accessing the power from darkness or is league with the "rulers of darkness" needs to be prayed against to help stop the evil reign that has the earth in its grips before The Messiah returns.

The next devotional will be concerning: The mystery surrounding 1) Genesis 1:3-5, 2) the Dark Rift, 3) Dark Matter, and 4) Dark Light. (TO BE CONTINUED)
