*Spiritual "Milk and Cookies" have us Christians at a place of "Praise and Worship" instead of "Miracles, Signs, and Wonders." We need spiritual "Meat and Potatoes" to move into "high" spirituality. Every Christian can praise and worship and every Christian should be doing miracles, signs, and wonders. Jesus said we could do what He did and more. Are you going to allow Paul to explain that away also? A student is not greater than the Teacher.*

**"<sup>33</sup> No man, when he hath lighted a candle, putteth it in a secret place, neither under a bushel, but on a candlestick, that they which come in may see the light. <sup>34</sup> The light of the body is the eye: therefore when thine eye is single, thy whole body also is full of light; but when thine eye is evil, thy body also is full of darkness. <sup>35</sup> Take heed therefore that the light which is in thee be not darkness. <sup>36</sup> If thy whole body therefore be full of light, having no part dark, the whole shall be full of light, as when the bright shining of a candle doth give thee light."**

Father God in the mighty name of Jesus Christ of Nazareth, allow us to put an end to darkness in our communities, in our nations and in our world. Thank You for that Father God. Political correctness is a doorway to allow darkness into your homes, schools, churches, communities, and your world. Stop apologizing for what is right and stop accepting and allowing that which is wrong. You know it is wrong and they know it is wrong; and money nor intelligence makes it right. Follow the Holy Scriptures. Silence is acceptance! (CONTINUING)

In my upcoming book, "[PSE: Plus Something Else](#)" I will explore how the forces of darkness uses negative energy or evil energy or dark energy to attack and succumb humanity to their destructive desires. 3) [Dark Matter](#). Dark matter as defined at [About.com](#) is: Definition: Dark matter is a hypothesized form of matter particle that does not reflect or emit electromagnetic radiation. The

existence of dark matter is inferred from gravitational effects on visible matter, such as stars and galaxies. A small percentage of the gravitational effects observed are from visible matter (some estimates are as low as 4% of total gravitational effects). The remaining 96% is presumed to result from dark matter or dark energy, though these terms are somewhat indicative of our ignorance of the exact nature of these unknown quantities, as they have never been directly observed.

Anthony you may ask, "What does that have to do with spirituality?" You know how white people used to (and some may still) imagine dark-skinned black people to be evil because of their dark skin? Well this darkness may not be evil, but it is not the "light" of daylight. It is the "dark" light of darkness and therefore may have some inference to the design of evil to be used by evil. I do not really know except I was illuminated concerning darkness or dark light. Dark matter is a part of dark light and therefore I am bringing it to your consciousness as a potential tool used by the evil ones. I know this sounds far-fetched and out in "left field" but this is the season in which we live—preparing to deal with a global spiritual battle which Christians currently are losing with Islamists stepping into the fray. Get ready, get ready, get ready!

4) **Dark Light.** For intellectuals, dark light would be thought of as any negative behavior which is not conducive to a positive human experience. It will not be viewed as something that is intangible like a spirit, but something that is tangible like not being polite, or getting drunk; things which are based on a negative action. Experience has taught me and the Holy Scriptures has taught me that spirits are a tangible experience in the human life whether you believe they exist or not. They are more often than not the reason for the negative human experience. For the spiritually minded... (TO BE CONTINUED)
