Put on the Eagle Mentality

“He giveth power to the faint; and to *them that* have no might he increaseth strength.”

ISAIAH 40:29 (KJV)

Eagle Ministry – 1. One day a farmer realized he had a strange egg in his possession as he specialized in rearing and marketing chicken (in Swahili chicken is called “kuku” pronounced “coo coo,” like the word cool). He kept the egg until it hatched together with the other kuku. A strange looking bird came forth and did not look like the kuku. It was an eagle and did not even know it. It grew up together with the kuku. It stayed down and faced down, it never looked up—kukus never do.

- ❖ He scratched the ground to find his food just like the kuku:
- ❖ He realized he was different
- ❖ But did not realize his identity
- ❖ He did not realize his bloodline
- ❖ He did not realize he was king of the sky

One day he attempted to fly just like kukus do. He realized he could fly higher. Then it dawned on him that he does not belong down there but up here. He flew away and never came back! The eagle is a very large bird. Its wingspan is 3 – 8 1/2 feet. It's the King of the Sky. It soars up to 14,000 feet and cruises at a speed of 30-50 miles per hour. Its eye site is 8 times clearer than the human eye. It searches for its food while it soars in high places and then dives at a speed of 200 miles per hour to catch its prey.

I am talking about visions, dreams and callings. Many things tie us down from fulfilling God's call in our lives or being what we dream to be.

Circumstances sometimes intimidate us such as: money, frustrations, temptations, confusion, contradictions, misunderstandings, lack of education among others. REGARDLESS, WE ARE EAGLES AND EAGLES CANNOT BE INTIMIDATED BY CIRCUMSTANCES. WE MUST FLY!!!!
