The enemy not only attempts to get us to quench the Spirit in church but mostly outside of church since we are outside of church more than inside.

“Verily, verily, I say unto you, He that believeth on me, the works that I do shall he do also; and greater works than these shall he do; because I go unto my Father. And whatsoever ye shall ask in my name, that will I do, that the Father may be glorified in the Son. If ye shall ask any thing in my name, I will do it. If ye love me, keep my commandments. And I will pray the Father, and he shall give you another Comforter, that he may abide with you for ever; Even the Spirit of truth; whom the world cannot receive, because it seeth him not, neither knoweth him: but ye know him; for he dwelleth with you, and shall be in you.”

JOHN 14:12-17 (KJ)

Quench not the Holy Spirit -- 2. Please read part one; [Monday, 9 March 2009](#). The antichrist does not want you to hear this. Listen, there is a mystery in this and spiritual keys. The Holy Spirit, the Holy Ghost is a Gentleman, a Gentlewoman, Who will not enter into you unless -- you ask, -- are willing, -- seeking the Holy Spirit and the Holy Ghost experience of Pentecost (**Acts 2**) and beyond.

All too often people are too cool, calm, collected, educated, elite, did I say intelligent, bourgeois, “stuck-up,” well-dressed, from “uptown” to dance in the Spirit. Did I mention in disbelief? Suspended their belief in the Holy Spirit, in the Supernatural. This is where the mystery starts. People often look down on people who dance in the spirit or raise their hands, or shout or have tears in church. If people who are not saved and sanctified find out or know you shout, tear-up, dance and wave your hands to God in church will ridicule you when you are not around or “hush-up” when you come around as though you have some special spiritual sickness: namely “Christ Jesus”—quenching. That spirit which causes them to rail against the Holy Spirit and Father God’s Creation is the spirit of the antichrist. “You do not know what spirit you are of.” **“But he turned, and rebuked them, and said, Ye know not what manner of spirit ye are of.” Luke 9:55 (KJ)**

Other individuals, groups, and institutions attempt to get you to quench the Spirit of Father God in our daily lives. (The “Pentecost Church” (**Acts 2**) versus the “Lukewarm Church.” (**Revelation 3:16**)) The “Lukewarm Church” members (tares) looks at the “Pentecost Church” members (wheat) as weak, a little touched, a little crazy, dumb or slow—not fit for the higher echelons of any professional organization or “God-worthy” status. **Here is the mystery:** The tares, the FAT CATS, the Valuemakers, those not ‘BORN-AGAIN” (in love with Christ Jesus), push and influence people to quench God’s Spirit, God’s Virtues, God’s Moralities, God’s Directives, God’s Oracles, God’s Laws not just while in church— but attempts to quench His Spirit outside the church—in the whole of society.

Spiritual Key: The enemy not only attempts to get us to quench the Spirit in church but mostly outside of church since we are outside of church more than inside. Who or what would say the Holy Spirit does not exist? Who or what would hinder the Movement of the Holy Spirit in church or in your life? Antichrist.

The Mystery. Now that you got a handle on the who and the what is causing a person to think, speak, or act against the Holy Spirit—namely the spirit of the antichrist and all the unclean spirits under its authority—let's move into the heart of the issue. The heart and the mystery which the Holy Spirit revealed to me during the conversation is that same energy which quenches the Spirit in our lives does not always come from within us, but from outside of us from external societal pressures, mores, moralities, and the business of executing elitist Victorian culture and conduct. These reduce, limit, deter or vanquish any potential spiritual connections which are to be made during times of Holy Spirit activity. Let me break it down.

When my son Marcus told me to buy the Scrabble game, I knew in my spirit that he had been holding that piece of the conversation because it rushed out just as I was hanging up. Marcus maybe had been holding that “buy Scrabble” part of the conversation for perhaps 50% or more of the conversation—quenching. He may have been waiting for the right time to bring it into the conversation—quenching. When he finally told me, he was no longer quenching—then followed this gusher: Buy Scrabble.

Our whole society is designed to quench the spirit—in school, in restaurants, at work, on the playgrounds, in the gyms, at church, at home by suppressing the expression or interest in the supernatural nature of God and His Son Christ Jesus. To bring it into a place where you can see it clearer—much of our societies have been programmed and educated away from the supernatural experience. In American culture we have these ideals of what every thing is supposed to be like: how everything is to look, how everything is to feel, who everyone is to act. If you do not conform to these social pressures then you do not fit in you become labeled: a loser. **Spiritual Key:** (When a person is quenching the Holy Spirit—who is really the loser?)

Ideals in the fabric of the American culture, American exceptionalism, entitlement, elitism, nationalism, “rulers of the universe”; we must eat a certain way, not hold our hands up in church, dress a certain way, not “holy” dance in the church, go to the right stores (wear the right clothes from the right clothiers (ValueMakers), not cry in church (especially not men), have the newest stuff, not speak in tongues—what I am talking about here are social mores which suppress supernatural thoughts, acknowledgements, actions, suggestions, emanations which occur throughout our daily routines as we go about our days. When you get a word for someone—give it. When you are to move—move on it. **Spiritual Key:** We all have to walk out God’s Assignments which He gives us daily.

When the choir is singing loudly or lovely, when the singer(s) hits those special notes, the preacher says that special scripture, do not quench the Spirit of God which is trying to enter your vessel; let go. The antichrist does not want you to un-ball those fists in church, to put those hands in the air, to do the “holy” dance, to stop gritting your teeth; so let go and let the Holy Spirit have its way with you so you can stop saying, “I don’t have the Holy Spirit.” Or “How do I get the Holy Spirit?” Let go and let God! Do not allow the antichrist to steal your blessings because society, or the “ValueMakers” or anyone or anything has told you not to talk to God, not bring everything to Jesus, not to raise your hands, not to sing as loud as you can, not to thank God for every living moment of your life, not to seek the Receiving of the Holy Spirit, or to seek the Salvation for your soul.
