PLURALISM is not enlightenment and makes for poor governing.

“That we henceforth be no more children, tossed to and fro, and carried about with every wind of doctrine, by the sleight of men, and cunning craftiness, whereby they lie in wait to deceive;”

EPHESIANS 4:14 (KJ)

Reject Spirits of Deception – 2. This is how a person or group of people can bring an unclean spirit into your home, business, or government; namely in this case: “deception.” Please read part one, Monday, 16 March 2009. Please listen carefully because there is a lot of information. During this devotional when I say, FED, I am talking about the [Federal Reserve Bank of America](#). The FED if you do not know, is located in regions around the country. Every month, three months and six months and annually the FED holds meetings where large business owners in your region ([Fortune 400 and 500 companies](#)) get together to set prices, set economics for your region and OTHER things. This amounts to COLLUSION. It is not collusion when selfish interests are not involved, but if you look at any banking executive in ANY FED or ANY BANK, check the legality, the morality, the ethics, the “how, what, when, why, who and you

will find corruption in the SYSTEM—don't believe me—check their CONTRACTS. [Geithner](#), (THE CROOK—former NY FED chief) was number one—TOP DOG. He had and has corruption was and still are TOP DOG. Geithner—a BUSH crony (puppet). Check it out. Please listen.

“Little children, let no man deceive you: he that doeth righteousness is righteous, even as he is righteous.” 1 John 3:7 (KJ)

One word --- [S-U-N-T-R-U-S-T](#). SunTrust, oh that's two words, is the third largest bank in [Georgia](#) (a state in the USA). Let's bring the TARP and the FAT CATs and the FAT CAT WANNABEs on home. Everyone, almost everyone is up in arms concerning the FAT CAT bonuses (As if we didn't know of this crazy overly-abusively greedy get something for nothing attitude which we (THE MIDDLE CLASS) put up with exists. “Out-of-bound” salaries for corporate execs who do less work than you or I is something we, THE MIDDLE CLASS, should have been up in arms about 20 years ago; so don't act so surprised that they (FAT CATS) continue in this MIDDLE CLASS sanctioned exercise in greed.) You have not stopped it before, why do you think you will or can stop it now. (Stop putting up with it wherever and whoever you are—today.)

“Now I beseech you, brethren, mark them which cause divisions and offences contrary to the doctrine which ye have learned; and avoid them. For they that are such serve not our Lord Jesus Christ, but their own belly; and by good words and fair speeches deceive the hearts of the simple.” Romans 16:17-18 (KJ)

SunTrust ([double-dipping](#)) received TARP funds in the amount of \$_____. The corporate bonuses ([stock fraud](#)) amounted to \$_____ this year and \$_____ last year. You want me to fill in the blanks—YOU best find out for you. (In all things, find out for yourself.) Now how much are the

corporate bonuses going to be this year for this institution's FAT CATs after having received our MIDDLE CLASS money? Good question. Keep your eyeballs on them to see.

Also, CONTRACTS. We, the Middle Class in Georgia may want to check behind SunTrust and all the banks in Georgia. This is why. I used to work at the FED. The NY Fed is the grand-daddy and the "big dog." They do not make the type of mistakes which happened under the NY FED's watch unless there was or is COLLUSION. Check for collusion in Georgia or your local government—to get it stopped, because it harms the American MIDDLE CLASS.

There is continued COLLUSION with Geithner. A FED CHIEF DOES NOT MAKE IRS MISTAKES, unless they are emboldened and prideful enough like antichrist and demon spirits who believe and act as though Christians are "hog-tied" without "the Power" to stop them or to make true change—SPIRITUAL CHANGE, Mr. Obama—something of which you and Oprah know nothing or very little; PLURALISM is not enlightenment. These bold spirits will attempt and have been operating right in front of you; and you and I have been watching them operate and acting as if human actors (the state and federal legislators) are not being possessed by unclean spirits which is an enormous part of Jesus Christ's ministry, Oprah: delivering people from unclean spirits. Duh! I digress.

Let's stick on contracts for a minute. Only a minute, I promise you. Last night the Po-po came by the house to pick me up, I guess. I never interacted with the DeKalb County Police (po-po) but I know they were there. The neighbors knew. Anyway. We are speaking of contracts here. So A.I.G., (Aggressively Increasing Greed) in collusion with the BUSH administration, whose administration "worked" this A.I.G. contract to the benefit of their fellow FAT CATs, say they cannot stop the payment of the

bonuses (or can make them give ONLY some of the money back.) (This represents the COLLUSION of the VALUEMAKERS (the Press), the FAT CATs (big business), the LOBBYISTS (and those they represent), your legislators and representatives, the SEC, the FED System, (YOUR GOVERNMENT-which taxes you but gives you no representation, only lip service to representation.) many of whom are on the payroll of the FAT CATs receiving undisclosed PERKS, in undisclosed amounts, to undisclosed persons, at undisclosed locations, at undisclosed times. Doesn't all this non-disclosure raise some RED FLAGS to you? (Akin to the "[Page Boy](#)" issue that some of our government leaders have.)

So my wife, Elizabeth no longer wants to be married. She is an ATTORNEY. Now listen carefully about CONTRACTS. MARRIAGE is a life-long contract, The UAW has employment contracts which are not life-long term, any employee working in America can be fired regardless of their employment contract. Contracts are made every day in large corporations like S-U-N T-R-U-S-T. Contracts are not made to be broken—but most FAT CAT contracts are in disagreement with American Christian morality and integrity; therefore most definitely should be broken. And saying, "I am the blame," does not make it all okay sir. Nothing has changed; you are saying, "I am the blame," instead of GW. (TO BE CONTINUED)

TIME IS RUNNING OUT FOR YOU TO CHANGE
