1 The Spirit of the Lord GOD is upon me; because the LORD hath anointed me to preach good tidings unto the meek; he hath sent me to bind up the brokenhearted, to proclaim liberty to the captives, and the opening of the prison to them that are bound;

2 To proclaim the acceptable year of the LORD, and the day of vengeance of our God; to comfort all that mourn;

3 To appoint unto them that mourn in Zion, to give unto them beauty for ashes, the oil of joy for mourning, the garment of praise for the spirit of heaviness; that they might be called trees of righteousness, the planting of the LORD, that he might be glorified.

4 And they shall build the old wastes, they shall raise up the former desolations, and they shall repair the waste cities, the desolations of many generations.

5 And strangers shall stand and feed your flocks, and the sons of the alien shall be your plowmen and your vinedressers.

6 But ye shall be named the Priests of the LORD: men shall call you the Ministers of our God: ye shall eat the riches of the Gentiles, and in their glory shall ye boast yourselves.

7 For your shame ye shall have double; and for confusion they shall rejoice in their portion: therefore in their land they shall possess the double: everlasting joy shall be unto them.

ISAIAH 61:1-7 (KJ)

Reject Spirits of Deception – 4. Since 9-1-1, people, women in particular (or their new spouses) have been using the [“terroristic threat”](#) clause of Homeland Security laws to get people arrested when there is no real cause nor real threat, but simple human interaction. In an effort to get the children to stop ignoring me after eight months with hardly saying hello and attempting not to see me all week, I stepped in with some rules. There was resistance. I knock on the ceiling and yelling and the wife calls the PO-PO. Check this out “po-po.” Do not be manipulated by people who know the system. Remember from part one...

Spiritual Key: If you accept the fact that this person (or company, or government) deceived you and you allow it, without confronting this spirit, without confronting this person, without confronting this potential habit (or ingrained habit), you will potentially position yourself in front of a floodgate to be opened to allow more deception to come your way and of course the friends of deception will come by to pay you a visit also.

Check it out. Women have their periods, menstrual cycles every thirty days or so. It lasts for about one week or seven days. Now before the cycle is a week of the pre-menstrual cycle, after their period there is a week of the post-menstrual cycle. That is three weeks out of the month when women are on the rampage, out of sorts, not themselves—women under 50 years old let’s say. True stuff. So men, be careful out there. It is not funny. **Spiritual Key:** If a woman takes the vitamin supplements B-12 or B Complex or both, before and during their cycles, they have less pain, fewer cramps, less irritability, and are more at peace; and less in “bizarro”

land. Do the females in the house where I live do this?—No. Do they know this? Yes. Do the math. Lady, make it happen for your man.

After 9-1-1, all a woman has to do is yell [“terroristic threat”](#) and po-po comes running, locking people up for 45 days (if no bail is posted). If a FAT CAT swindles, let’s say, \$500,000 million from the MIDDLE CLASS, the conversation goes a little like this:

Uncle Sam: “Listen, you know that is not right. How is the American public going to handle that?” Fat Cat #1: “Oh, let’s tell them, we only took half of the money.” Fat Cat #2: “Better yet, let’s tell them we plan to give it all back.” Then when something else is put on their plates, on the plates of the American viewing and listening public by the FAT CAT controlled VALUEMAKERS, then in a few months or weeks or days, the MIDDLE CLASS has forgotten all about the FAT CAT issue(s) because of what is being fed their insatiable viewing “receiving” habits from the ValueMakers. Fat Cat #3: “Best made plans of mice and men often go astray.” Laughter all around! The MIDDLE CLASS is not laughing; and what the Middle Class does not know yet is that they are not beginning yet to hurt—to feel the pain that is yet to come. (TO BE CONTINUED)
