You Make a Difference!

The enemies of our futures are the enemies of our minds and they are the enemies of God.

“Wherefore I put thee in remembrance, that thou stir up the gift of God, which is in thee by the putting on of my hands.”

2 TIMOTHY 1:6 (KJV)

Seed Planting – 1. It is important that life as we know it operates on spiritual, mental, and physical principles, precepts, commandments, laws, covenants, commands, attributes, seasons, and cycles. If I left something out, please email me. Spiritual energy has a physical manifestation. Physical energy has a spiritual manifestation. It is a cycle. Life is full of cycles.

Seed planting is a principle. Once activated it (the seed) runs a cycle to completion. The cycle runs until another cycle or something impacts it, which can *alter* the original end of the seed planting. Example: When a love seed is planted, a love tree will grow. But if someone places pepper on the ground or in the water, which feeds the tree, then we get peppered love.

Know that the original effect is going to move to its end; there will be fruit, whether good or bad. The only thing which can stop a seed which has been planted, is a Sovereignty of God, namely Mercy, Grace, God Himself in the form of Love or a member of God's Family. Principles once activated run their course. It's like a seed, which grows into a fruit-bearing tree.

People, the enemies of God plant seeds also. They attempt to plant negative seeds in our lives in the “vanity of our minds,” “the flesh of our minds,” “the carnality of our minds.” People, whether good or evil, minister, i.e., plant seeds to these parts of our minds seeking to influence our emotions, our minds, our hearts,

our spirits into a specific behavior (pattern). Evil communication corrupts good manners. (1 Corinthians 15:33)

Be aware of what seeds others are planting or attempting to plant into your lives and the lives of your children. Be aware!

THANKFULNESS
