Each One! Bless One!

You Make a Difference!

* * * * *

*Remember, anything concerning Christ,
the antichrist attempts to keep from you.*

“Let both grow together until the harvest: and in the time of harvest I will say to the reapers, Gather ye together first the tares, and bind them in bundles to burn them: but gather the wheat into my barn.”

MATTHEW 13:30 (KJ)

“And the four beasts had each of them six wings about him; and they were full of eyes within: and they rest not day and night, saying, Holy, holy, holy, Lord God Almighty, which was, and is, and is to come.”

REVELATION 4:8 (KJ)

“Saying, Amen: Blessings, and glory, and wisdom, and thanksgiving, and honor, and power, and might, be unto our God forever and ever. Amen.”

REVELATION 7:12 (KJ)

The Mystery of the Wheat and the Tares - 2. Please read Part One, [15 October 2008](#). Two Beginnings continued. **(Matthew 13:24-30)** This is so important. The antichrist does not want you to know this. Read and hear with spiritual ears and eyes. This will help you maneuver through the upcoming spiritual events which are impacting and will impact our lives more as the Bible reveals itself.

What does this all mean? Is it supposed to mean something? Yes it means something; it means a lot of “somethings.” Let me start with this one.

Imagine with me for a few minutes. We are going to go back in time with a forward look into the past.

Imagine you are now on a timeline. You are sitting in a car, riding on the bus, or walking down the street. Where you are—you—represent humankind on this timeline. You represent the creation of man; the Creation of the Season of Humankind. Now project out into the past. Now as far as you can see (remember, we are on a timeline going back in time)—as far as you can see—to the sun or further, to Jupiter or to the edge of space into its darkness—as far as you can see, the end of where you can see is let’s say for this example is the “Fall of satan” and his once-heavenly army. This example is used only for conceptual purposes to increase one’s spiritual understanding.

Continue looking forward into the past. As far as you can see, beyond where you can see—into deep space—beyond the thousands of millions of solar systems and millions of galaxies is the first or Original Beginning. Like I said in the earlier devotional, this is only an example, our Savior is the Beginning and the Ending. **“I am Alpha and Omega, the beginning and the ending, saith the Lord, which is, and which was, and which is to come, the Almighty.” Revelation 1:8 (KJ)**

That Original beginning is very far away from where you are in that car, or on that bus, or on that walk. To get a better idea of how far away It is, imagine a football field—one hundred yards—91.4 meters. Where you are is the dot of a pencil tip on the beginning of the football field. Where “The Beginning” is not at the end of the football field but as far as you can see. What is the significance of all of this? Here it is.

“And the four beasts had each of them six wings about him; and they were full of eyes within: and they rest not day and night, saying, Holy, holy, holy, Lord God Almighty, which was, and is, and is to come.” Revelation 4:8 (KJ)

They were praising Father God night and day. From the Beginning, the Hosts of Heaven, the Choirs of Angels, the Holy Congregation, all the

Spirits in Heaven praised our Father, night and day. And guess who was leading the heavenly celebration? You guessed it. Lucifer himself.

And your point? The point is simply this my brothers and sisters in Christ, humankind has only been on the planet, let's say several thousand years—and praising Father God for how many hundreds or thousands of years? Not that many when you look back at your timeline example. I am saying, humankind have not been praising Father God that many years or centuries; satan and the unclean spirits (before they were unclean spirits) were praising Father God, night and day!

Now let's reason together. Who do you think can praise Father God better—humankind who have been praising our Father for a few hundred years (with all our baggage) or rebellious spirits? I will go out on a limb and say the rebellious spirits who not only have been doing it longer, but has watched and studied human behavior and can mimic, imitate, sway, direct, move, stimulate, contort, and manipulate groups of humankind like you up until this point did not or could not even imagine. I can imagine. But we must imagine together and meet them at the gates of the “Church.”

BEWARE OF TARES
