## **God is working in Nepal**

Get to know what God is doing in Nepal  
Ministry Report from 2012 July-Aug-Sept  
Part Two

My Dear Friend

Jai Mashi in the precious name of our Lord Savior Jesus Christ.

I want to tell you what God is doing in Nepal. I also want to thank you for your prayer and financial support without which we would not have come to this far. All Glory to God. Thank you for your continued prayed. We did these because of you supported us.

## **Bible School in Kathmandu**

9th Batch of Bible School was organized in Kathmandu from August 21-September 21. There were 18 Students from different parts of Nepal. They learn about Christian Life, Church Planting, Finances, and urgency of the gospel and fulfilling great commission of our Lord Jesus Christ, Go ye into all the world and preach the gospel to every creature. Mark 16:15. I look back to the School, and we found that we have already trained and sent 118 Students to the ministry field. Some of them are become Pastor, Evangelists, Bible Teachers, Youth leaders, and minister of the gospel. This is because you prayed for us and supported. Jesus said, "Everything is possible for him who believes." Mark 9:23. I came to know one more thing on this, Nothing is hard if we work together.

Apart from this subject, Students also learn how to make ministry movie, working in photos, how to write email and use facebook. They learn how to make blog and website. So it was also a great time of learning computers. They all were happy to be there.

## **Baptism and new converts**

There were four people who were baptized in water in September. They are from my Church. Sudip Baptize 12 people, many more people are waiting to be baptized. More than 30 people gave their life to Jesus in August September. This is the result of your prayer and support.

## **The World Race and the home stay**

Let me introduce you the World Race. World Race travels 11 countries in 11 month. Each country they go they help local church and ministries with whatever way they can, except money. But they pay for food and lodging. We also have home stay and people come to stay in our guest house. We accept only Christians.

## **Retreat Program 2012**

We had 80 ex-students in the 2nd Ex-students retreat program 2012 in Kathmandu. In this retreat program, ex-students who are now in ministry shared their ministry report, their challenges, their problems and their victories. It was the time of sweet worship together, dance, drama, songs, and messages. Every one stood in the pulpit and shared their time with others. It was wonderful and emotional time of reunion.

Someone said after I went back from the Bible School I went to preach the gospel with friends and we brought 80 people to the Lord. Others said we baptized 12 people. Some other said I could not do anything like you did and he burst into tears. He said he has nothing like these to share in the sharing time. Some made plan to go to beyond the mountains where there has not been any gospel preached. The numbers of God's servant are growing. Harvest truly is ripe but the laborers are few. God is at work in Nepal. He is rising new generation of leaders from everywhere. This nation was in dark for thousands of years, now lights are beginning to spread and people are seeing it. Retreat program was the time of ministry report and what God is doing in Nepal. Even the students were very happy to be here in the retreat.

We have not yet paid all the bills of the retreat program. We need to pay it and we have not. Please help us.

### **Upcoming programs and prayer**

We have some prayer request. The scripture promise us that Ask and it shall be given unto you. Whatever is impossible with men is possible with God. Prayer changes the heart of the people and also the situation. Please agree with us for the following programs and ministries.

### **Orphanage House**

We are building the orphanage from October 9 and we need fund to continue the work. We need at least 7000 US dollar to finish the ground floor which is the second phase. We need to make prayer hall, kitchen, and a sitting room, and parking and bathroom outside the building. We hope to finish this before the Christmas 2012. If you are the new reader and visitor to this report and want to contribute some then please contact us. Orphanage is located in Urlabari in Morang in East Nepal and we have 8 Children waiting to come home that you would prepare for them.

### **Football and Sport Outreach**

We are participating in 2nd Mechi Gold Cup International football tournament in Kakadvitta and in 2nd Duhabi Gold Cup Football Tournaments in Duhabi in Sunsari in east Nepal from October 14. We are privileged to be a part of this game. We have 20 thousand copies of gospel tracts ready for the events and some Bibles. Bibles are not enough though and we want to purchase some Bibles to distribute in this football game. Please help us buy more Bibles. Help us reach the unreached youth of Nepal with the gospel message of Jesus Christ. We are going to east Nepal on the early morning of 8th October.

Name of our football club is Church Boys United Kathmandu. [www.cbu.org.np](http://www.cbu.org.np), so please pray as we go for sports outreach.

### **School in Dungundge**

We are building the School right now and we need fund to continue to build the school so that children can study. We will teach them about the Bibles. This school is located in Dungundge in Ilam and needs your support. Children of this village live under the Kerosene lamp, with no electricity, no market, no transportation and no school. Nearest School is two hour in walk through the river which is very dangerous for the School Children. Some part of the School has been completed.

### **Pastors and Children Support**

We have been supporting Pastors and leaders in Nepal. One Pastor can be supported per month just with 80 dollar in village. If we do not spend money we would probably not reach Nepal for the gospel. Anu Magar, Sumitra Magar, need support to go to School. Please pray and consider supporting these children with 20 dollar a month.

I want to thank you for your prayer and support once again. Without your help we would not have come this far. Please share with us what are your prayer needs and we would commit all requests to the Lord in prayer.

Co-worker with you
