We request you to make more donations, so we will again be able to go to the mission field to tell people about the love that Jesus and fellow Christians have of them.

“42 For I was an hungred, and ye gave me no meat: I was thirsty, and ye gave me no drink: 43 I was a stranger, and ye took me not in: naked, and ye clothed me not: sick, and in prison, and ye visited me not. 44 Then shall they also answer him, saying, Lord, when saw we thee an hungred, or athirst, or a stranger, or naked, or sick, or in prison, and did not minister unto thee? 45 Then shall he answer them, saying, Verily I say unto you, Inasmuch as ye did it not to one of the least of these, ye did it not to me.”

RELIEF CAMP FOR FLOOD VICTIMS IN PAKISTAN

Dear Sister and Brothers in Christ,

We pray for you and love you in Christ Jesus! I would want to share with you that in Pakistan there is almost 2.3% Christian of the total population of Pakistan. And we are the most persecuted Christians of the world.

There are flood waters which have come in Pakistan states. And these areas and the flood waters have affected the different areas of people and have affected poor people the most. Once again, people cry for help. And 3.5 million affected and more than 2,000 to 2,500 people died. "This is a biggest flood of history of world, at

least in the history of Pakistan.”

As you know there have been thousands of deaths and millions of houses damaged, animals lost, and now people are hungry and need more food. People need to be saved from the disease and sickness.

**GOD BLESSED US TO SERVE THESE FLOOD VICTIMS
WITH FOOD AND A MEDICAL CAMP.**

September 4, 2010, we sent two pastors, one lady doctor, three other women, and three young men to help by volunteering on our team. We travel for and within special prayers for this trip. We had hired the Hi-X van, transportation to get to the areas which we were to serve.

Jhang Distt, area, Thara Hazari, the one village Kaamara--we visited there with Bariani 50 packets, 60 flour packets, each one was 15 KG weight. And provided a medical camp and distributed there medicines and the lady doctor checked the patients and diagnosed them. See the pictures.

I want to share with you that we visited the villages that are totally damaged, places where houses had become the ground again—completely destroyed. There was still water every where after the flood and no way to travel there, but people accordingly needed to move and there and in places like this, they used boats.

We are thankful for all the people who give and continue to give small or give large donations and enable us to do this good work in the Name of our Lord Jesus for all the flood victims in Jesus Name. Amen.

WE OPENLY TOLD TO EVERYONE THAT WE ARE CHRISTIAN MISSION AND DOING CAUSE WHICH JESUS TEACHES US FOR LOVE AND PEACE AND HELP. BEFORE WE START DISTRIBUTING FOOD, WE PREACH THE HOLY BIBLE AND TELL WHY

WE ARE DOING THIS ALL. THIS WAS THE FIRST SPIRITUAL AID FOR THE PEOPLE WE CONTACTED.

I hope you will all readers will like this report and the wonderful relief work in Jesus name. Amen. In this area, we have done this relief work, there are many more needy women, children, and families that want and need more food and medical help.

We request you to make more donations, so we will again be able to go to the mission field to tell people about the love that Jesus and fellow Christians have of them. We want to again go there and help them with food and medical and spiritual help. We need your feedback as well as your financial assistance.
