

Sometimes what you need to cure what ails you is there in front of your eyes. One only needs to accept what is for them. What is for you is not always what is for someone else.

“So I brought him to Your disciples, but they could not cure him.”

MATTHEW 17:16 (NKJ)

“Then He called His twelve disciples together and gave them power and authority over all demons, and to cure diseases.”

LUKE 9:1 (NKJ)

Michael Johnson – 1. This devotional is to introduce you to Michael Johnson, who introduces himself as the Herbal Physician.

I had the opportunity and good fortune to spend a day with Michael and I experienced him explain to me about how the Holy Spirit walks with him and shares with him information concerning the plants, trees, and shrubs he sees. This may have been a product of his being from Jamaica and while visiting other places in the world, this may have activated, (as well as his willingness to be a vessel for the LORD), to his ability to listen to, hear and understand what he receives from “On High.”

He has shown me on that day a notebook almost filled with notes on plants, what they were used for, drawings and information on the combination of different herbs, spices, juices, and other elements in life to produce a tonic, paste, or medicinal product which is beneficial to the user. And yes, he did make me a tonic which was quite effective for its purpose; which was private purposes. Anyway, moving right along, Michael showed me a number of notebooks filled to the brim with notes from the Holy Spirit and I am sure Angels speaking to him.

So please encourage him to get his book produced; he probably needs about \$5,000 to do that. Here is his current information:
